15  
16 **REPORT BY LIBRARY DIRECTOR:**

17  
18 Ms. Brinson reviewed highlights of the Library Director's Report for April 2017. The report was  
19 handed out and is as follows, along with last minute updates:

20  
21 *Spring at the Lady Lake Library brings a flurry of activity in both the Youth and Adult libraries. On*  
22 *the youth side of things, the summer reading programs planning is complete from programs and*  
23 *entertainers to our end of the summer party. Reading is a vital part of our children's summer so*  
24 *they do not go through the "summer slump" and lose the progress from the previous school year.*  
25 *Sign-ups start on May 8<sup>th</sup>.*

26  
27 *Ms. Brinson stated a new program added this summer is a truck rodeo. The Public Works*  
28 *department will have a dump truck, a bucket truck and other equipment to allow the children to*  
29 *have a hands-on experience. The Police Department always sponsors a bike rodeo and gives away*  
30 *bikes and helmets. She stated the Town of Lady Lake employees have always been very generous*  
31 *with their time.*

32  
33 *Ms. Brinson reported plans for the two-week computer coding camp that will be held in conjunction*  
34 *with Lake County Economic Council has not been finalized. This camp will be available for*  
35 *children ages 8-14; they will learn scratch programming and coding, and the kids will create their*  
36 *own video game.*

37  
38 *Ms. Brinson advised she is reassigning staff due to one youth services associate leaving. She stated*  
39 *Nicole does a fantastic job of providing quality programs for children, including story times, craft*  
40 *classes, homework help and homeschool programs. She has worked very hard at creating a great*  
41 *collection for the children. She will soon be getting some well-deserved help as Aly Herman will be*  
42 *moving to the Youth Library. Aly has experience in working with children and is very creative, as*  
43 *well as being a "techie" and will teach a lot of the computer classes.*

44  
45 *Our new hire, LeeAnn Elkins will start soon. She will be taking Aly's place in the adult library.*  
46 *LeeAnn comes to us with years of library circulation experience. She is also very creative and will*  
47 *be able to offer some new programs and help with eReaders and computer issues. She will also*  
48 *assist with displays to help make our library a welcoming space.*

**Library Board Meeting**  
**April 13, 2017**

1 *We will also have a Summer Reading Program for adults to include a “Book Bingo” and a drawing*  
2 *for a winner of a gift card. We continue our regular programs and classes and look forward to*  
3 *LeeAnn’s ideas. Nancy’s two book discussion groups are always well attended and Nancy does a*  
4 *great job. Lori Sadler does many computer classes and also gives individual help for those who*  
5 *need assistance with eReaders or their computers. Beth Gobeil just completed a major weeding*  
6 *project and the collection looks great. Ms. Brinson stated the library features different displays*  
7 *each month; as always, our book displays empty on a regular basis. This month, “Women of*  
8 *Mystery” are being featured (female mystery authors), as well as spring colored books - pink,*  
9 *green, and yellow to match the floral decorations. These displays bring some hidden treasures to*  
10 *light and they fly off the shelves. Also on display are the larger coffee table books.*

11  
12 *With the Town’s approval, we will also be able to paint and have new flooring put down. Our*  
13 *Friends of the Library organization has generously offered to purchase a new circulation desk and*  
14 *more seating for the area. We also took part in the Town’s annual Easter Egg Hunt. We had an*  
15 *easy game for the kids to play and gave out candy and library information. Along with our other*  
16 *outreach programs, this is a great way to reach the community.*

17  
18 *Ms. Brinson stated the Youth Services Coordinator is developing some teen programs such as a life*  
19 *skills class; i.e., how to write a check correctly. Interview skills will also be included in this*  
20 *program and a small job fair will take place with local business to discuss possible employment.*  
21 *This will be for teens ages 15 and older.*

22  
23 *Ms. Brinson reported the Little Free Library is an international organization that was started by a*  
24 *gentleman to honor his mother who had been a teacher and a librarian. She stated this woman*  
25 *always worked in schools and libraries where there were underserved populations, and she loved to*  
26 *give out books, especially to children. Ms. Brinson explained the Little Free Library are kiosks that*  
27 *hold books for anyone to take at no charge, and the Lady Lake Friends of the Library has*  
28 *purchased a kiosk for the Town. It will be registered on the Little Free Library website,*  
29 *www.littlefreelibrary.org, where there is a map showing the location of the Lady Lake Little Free*  
30 *Library. The kiosk will be located at the Log Cabin Park near the Chamber of Commerce.*

31  
32 *Member Grubb asked if the books for the Little Free Library are donated for this purpose.*

33  
34 *Ms. Brinson replied that the books are donated from the book sale room. The Friends of the*  
35 *Library receive many donated books throughout the year.*
