Lake County has requested that the Mayor forward a letter to them addressed to Governor Scott so that they can include it in their packet to the Governor. A draft letter was included in the packet for consideration.

Commissioner Holden and Commissioner Vincent agreed that it looks great.

J. TOWN ATTORNEY'S REPORT:

5. Ordinance No. 2017-20 – Second/Final Reading – An Ordinance Granting a Special Exception Use to Incorporate the Convenience Store with Fuel Operations Land Use Within the Heavy Commercial (HC) Zoning Classification – on Property Located at the Southwest Corner of the Intersection of Highway 466 and Highway 27/441, North of McClendon Street (1.73 +/- Acres; Alternate Key Numbers 1260370, 1131561, 1723680, 1131553, 1131405, & 131413) (Wendy Then)

Town Attorney Derek Schroth read the ordinance by title only.

Town Planner Wendy Then gave the background summary for this agenda item (on file in the Clerk's office). She stated that the applicant, 441 & Lemon, LLC, has submitted a Special Exception Use (SEU) application requesting to incorporate the Convenience Store with Fuel Operations Land Use within the Heavy Commercial (HC) Zoning Classification, use on a 1.73 +/- acre property located at the southwest corner of the intersection of Highway 466 and Highway 27/441, north of McClendon Street.

Currently, the applicant is in the process of developing plans to construct a 7,211 gross sq. ft. Wawa convenience store with fuel operations. The present zoning of the property is Heavy Commercial (HC), which permits the construction of the convenience store; however, in order to establish the fueling operations on the same premises a Special Exception Use (SEU) is required as per Chapter 5, Section 4, m), 2), I), of the Land Development Regulations.

A map of the parcels, an aerial view of the property and adjoining parcels, and photos of the postings and the property in its current state from different viewpoints were shown.

The subject property lies in Section 20, Township 18 South, Range 24 East, Lady Lake Florida, and is comprised of six separate parcels, which the applicant intends to purchase for the construction of the convenience store with fuel operations. Upon buildout, the facility will occupy the footprint of nearly the entire block, aside from the oil change facility located on the southeast corner.

The Future Land Use and Zoning Classifications of the subject parcel and the adjacent properties are as follows:

Future Land Use

Subject Property	Commercial General- Retail Sales & Services (RET)
Future Land Use of Adjacent Properties	
West	Commercial General- Retail Sales & Services (RET)
East	Commercial General- Retail Sales & Services (RET) and Religious Facilities (RF)
North	Commercial General- Retail Sales & Services (RET)
South	Government Facilities (GF)

Zoning

Subject Property	Heavy Commercial (HC)
Zoning of Adjacent Properties	
West	Light Commercial (LC)
East	Public Facilities District (PFD) and Heavy Commercial (HC)
North	Heavy Commercial (HC)
South	Public Facilities District (PFD)

Ms. Then stated that according to the Land Development Regulations, Chapter 6, Section 2, g), 10):

- 10) Convenience stores with fuel operations. (SEU in LC). A special exception may be granted under the following conditions, including but not limited to:
 - A) The proposed site shall front on an arterial or collector roadway.
 - B) When allowed in a LC zone:
 - 1. The proposed site shall be at least one acre in size.
 - 2. Buffer Class "C" shall be provided adjacent to residential uses.
 - C) When allowed in HC zone:
 - 1. The propose site shall be at least one-half acre in size.
 - 2. Buffer Class "C" shall be provided adjacent to residential uses.
 - 3. Canopies must maintain a fifty-foot setback from Highway 27/441.

In addressing the conditions as required under Chapter 6, Section 2, g), 10) C), the proposed property exceeds the minimum size requirement of one-half acre by providing a total area of 1.73 acres for the development. There are no adjacent residential uses; therefore, a Buffer Class “C” is not required. In response to the last requirement Chapter 6, Section 2, g), 10) C) 3, the applicant has revised their application to comply with the 50 ft. canopy set back requirement from Highway 27/441.

Comments:

- 1) The applicant must still obtain approval for the site plan under separate application prior to the commencement of any construction associated with the convenience store and fueling operations.
- 2) Any waivers or variances in association with the project shall be considered at the time the site plan is being considered by the Town Commission.
- 3) Under the proposed Special Exception Use (SEU) ordinance, in addition to a 6,119 building, the applicant is specifically proposing a 903 sq. ft. outdoor seating area and another 189 sq. ft. of canopy overhang. The convenience store will include the retail sale of fresh prepared

sandwiches, soups, breakfasts, and other fresh meals, coffee and other specialty drinks, groceries, tobacco products, beer and wine, car care products, sundries, pre-packaged food items, lottery tickets, surcharge free ATM services, and a maximum of eight dispenser islands with a total of 16 fueling positions for regular, plus, premium, ethanol free gasoline, and diesel fuel.

4) The proposed hours of operation are 24 hours a day, seven days a week.

The Special Exception Use (SEU) application was received on Wednesday, April 12, 2017, and has been reviewed and determined to be complete and is ready for consideration by the Town Commission.

Ms. Then stated this is the second/final reading and no changes have been made since first reading.

Notices to inform the surrounding property owners (10) within 150 feet of the property proposed by the SEU request were mailed Monday, May 22, 2017. The property was posted on Wednesday, May 17, 2017, and again on Thursday, May 25, 2017.

The Technical Review Committee (TRC) members individually reviewed the application for Ordinance No. 2017-20 and determined it to be complete and ready for transmittal to the Town Commission. It was noted that the Planning and Zoning Board does not review Special Exception Use applications. K. TOWN MANAGER’S REPORT:

9. Annual Evaluation and Merit Performance Adjustment for the Town Manager (Kris Kollgaard)

Town Manager Kris Kollgaard stated that according to the Town Manager’s contract with the Town of Lady Lake, an annual evaluation must be done by the Town Commission on the Town Manager’s performance, and if it is the Commission’s desire, a performance merit adjustment can be made to the base salary.

Ms. Kollgaard stated the Town is proposing a 2% COLA and up to a 3% merit increase for the employees this year, for a total increase of up to 5%. She asked that she receive the same increase that the general employees get this year, as she has in years’ past.

Ms. Kollgaard stated she has received two out of five evaluations from the Commissioners. She asked that the other three be turned in to her for review before she passes them on to the Clerk’s Office. She asked if the Commissioners had any concerns they would like to address.

Mayor Richards stated he has known Ms. Kollgaard for 23 years, and worked beside her for the first four. He stated he is pleased with her performance and he marked “Meets Expectations” on most because he has come to expect what she does. He noted that he marked “Exceeds Expectations” regarding laws and ordinances because she continues to perform Town Clerk functions as well as functioning as Town Manager, which is a good deal for the Town. Mayor Richards stated he is also very pleased that Ms. Kollgaard has always submitted a balanced budget while continuing to cover all the items the Town needs to operate.

Commissioner Kussard agreed with all the Mayor’s comments.

Ms. Kollgaard stated she is able to do her job because of the excellent employees of the Town. She thanked the Deputy Town Clerk for taking on more responsibilities which allows her to handle more.

By consensus, the Town Commission approved a 2% COLA and a 3% merit increase, for a total increase of up to 5%, contingent upon the FY 2017-2018 budget being passed with this increase available for general employees as well.

Ms. Kollgaard reminded everyone that the budget workshop is scheduled for next week, Thursday, July 13, 2017, at 10 a.m.

Ms. Kollgaard reported that she met with Commissioner Holden earlier today and he had some good suggestions about where the Town might need to put more roads in toward the south end of town. She passed out a map showing where Commission Holden was suggesting roads, and stated the Commission may want to hold a workshop on it and get public input as well.

Commission Holden stated that the area of Arlington Avenue has one way in and one way out; Lady Lake Blvd. to Old Dixie Highway. He stated the area is ripe for development and he would like to see the Town lay out cross streets from Arlington Avenue to Rolling Acres Road, and from the Town’s Public Works Department to Arlington Avenue. He stated it will be better for the proposed development if the Town lays out secondary streets to the main arteries.

L. MAYOR/COMMISSIONER’S REPORT:

Mayor Richards asked if there were any comments from the Commissioners.

Commissioner Kussard commented that she attended the retirement event for Norma Delaney as retiring curator at the Lady Lake Historical Museum on July 1st, and that it was well attended with a lot of refreshments. She recommended that everyone visit the museum; stating they have done a beautiful job decorating the inside and rotating the exhibits.

Mayor Richards stated he had a nice time on his vacation and thanked everyone for handling everything in his absence.

M. PUBLIC COMMENTSⁱⁱ

Mayor Richards asked if there were any comments from the audience.

- Joe Quinn of 633 Rainbow Blvd. commented that security at the meetings is always taken care of, either by Chief McKinsty or any officer he has cover for him. He stated that although

Captain Tempesta (present this evening) takes care of administrative duties, he is a well-trained police officer first. Mr. Quinn also noted that when Town Attorney Derek Schroth is not in attendance, he always sends a competent attorney to cover for him.
