

FINAL DAYS OF DEBRIS PICKUP FOR TOWN OF LADY LAKE RESIDENTS

Hurricane Irma Vegetative Debris Curbside Pickup

All Town of Lady Lake residents must have any Hurricane Irma vegetative debris placed curbside by October 13th, 2017. Any debris placed curbside after October 13th, 2017 must meet the solid waste hauler's normal collection standards for yard waste or be disposed of by the resident at any of the Lake County Solid Waste Transfer Stations or by other means. After the second pass collection is completed by Town of Lady Lake staff on or shortly after October 13th, 2017, the resident will be responsible for disposal of any remaining Hurricane Irma related debris.

If you would like more information, please contact the
Town of Lady Lake Public Works Department at 352-751-1526.
